FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 1833 – HB 1857

March 9, 2009

SUMMARY OF BILL: Specifies that counties using a computerized voting system may use ballot-on-demand technology for early voting, election-day voting, or both. Authorizes the Coordinator of Elections to promulgate rules for the use of such technology.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Increase Local Expenditures – Not Significant/Permissive

Assumptions:

- The Coordinator of Elections is currently authorized by the Voter Confidence Act to explore the use of this technology.
- Any cost to state or local government can be accommodated within existing resources without an increased appropriation or reduced reversion.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
